## Why Choose FoundationCampus?

1. Guaranteed progression to Undergraduate and Master's degree programmes at one of the UK's leading modern universities.
2. FoundationCampus has prepared students for the UK's top universities since 1952 as part of Cambridge Education Group, and the first private providers of university foundation in the UK in 1985.
3. Comprehensive 25-hour week academic and English programme to prepare students thoroughly for the demands of a UK degree.
4. Highly trained and experienced staff and a personal tutor for every student with regular tutorial meetings to ensure successful progress on the course.
5. Be part of the university from day one; with access to all the university's facilities, clubs and societies whilst studying on the foundation programmes.
